Dave Van Niekerk at the German Equity Forum:

“MyBucks is finally at an inflection point where all our subsidiaries are profitable”

Executive Chairman, Mr Dave Van Niekerk presented MyBucks' plans for 2019 at the German Equity Forum that took place in Frankfurt on 28th November 2018. Mr Van Niekerk announced that MyBucks has finished the restructuring process of all the entities acquired during the last 2 years and that all the subsidiaries of the group are now profitable and set for exponential growth.

MyBucks and Bibimoney partner to provide e-Wallets using SIM-skin technology.

The two entities have announced a joint venture strategically aimed at increasing reach and improving competitiveness. SIM-skin technology will be used to allow customers to quickly open mobile wallets with the functionality to apply for and repay microloans.

Bucking the trend

For Dave van Niekerk, the founder of MyBucks, fintech is filling a huge void - the space left by the legacy banks that have inadvertently perpetuated Africa's lack of financial inclusion.
